

WOLF CREEK GENERATING STATION TEMPORARY LAND USE PERMIT

Permission is given to: _____ (Permittee), to enter upon a portion of Wolf Creek

Generating Station property located: _____

for the purpose of: _____

Permittee and any of its agents, assigns, or employees do hereby fully and unconditionally hold harmless Kansas Gas and Electric Company, Kansas City Power & Light Company, and Kansas Electric Power Cooperative, Inc., the owners of Wolf Creek Generating Station; and Wolf Creek Nuclear Operating Corporation, as agent for the owners, from all liability, loss, damage or injury to person or property while performing the above permitted activity.

Permittee understands and agrees that the premises are not policed or inspected for hazards of any kind, that the owners and its agents make no representation, warranty, or promise that the said premises are fit for any particular purpose.

The Permit commences on _____ and expires on _____. This Permit is revocable immediately at the discretion of the owners and its agents, and Permittee agrees to peaceably leave the premises and discontinue permitted activity upon written or oral demand.

Please indicate how you will be notified in case of a plant emergency (at least one must be marked):

- I have a Wolf Creek issued pager.
- I have a Wolf Creek issued tone alert or weather notification radio.
- I have signed up to receive emergency notifications on my cell phone through IRIS with Coffey County.
- I will listen to radio station WIBW 94.5 FM while on Wolf Creek property.

Please review the attached map detailing evacuation routes.

- I have reviewed the evacuation routes.

The Permittee must notify Wolf Creek Security at 620-364-8831, extension 4999, prior to entering Wolf Creek property unless participating in the Youth Turkey Hunt, Youth Deer Hunt or the Green Team Archery Hunt.

Special Conditions : _____

I have read, understand and agree to comply
with all of the above conditions.
